

## Über dieses Buch

Dies ist ein digitales Exemplar eines Buches, das seit Generationen in den Regalen der Bibliotheken aufbewahrt wurde, bevor es von Google im Rahmen eines Projekts, mit dem die Bücher dieser Welt online verfügbar gemacht werden sollen, sorgfältig gescannt wurde.

Das Buch hat das Urheberrecht überdauert und kann nun öffentlich zugänglich gemacht werden. Ein öffentlich zugängliches Buch ist ein Buch, das niemals Urheberrechten unterlag oder bei dem die Schutzfrist des Urheberrechts abgelaufen ist. Ob ein Buch öffentlich zugänglich ist, kann von Land zu Land unterschiedlich sein. Öffentlich zugängliche Bücher sind unser Tor zur Vergangenheit und stellen ein geschichtliches, kulturelles und wissenschaftliches Vermögen dar, das häufig nur schwierig zu entdecken ist.

Gebrauchsspuren, Anmerkungen und andere Randbemerkungen, die im Originalband enthalten sind, finden sich auch in dieser Datei – eine Erinnerung an die lange Reise, die das Buch vom Verleger zu einer Bibliothek und weiter zu Ihnen hinter sich gebracht hat.

## Nutzungsrichtlinien

Wenn Sie Recherchen über maschinelle Übersetzung, optische Zeichenerkennung oder andere Bereiche durchführen, in denen der Zugang zu Text in großen Mengen nützlich ist, wenden Sie sich bitte an uns. Wir fördern die Nutzung des öffentlich zugänglichen Materials für diese Zwecke und können Ihnen unter Umständen helfen.
- + *Beibehaltung von Google-Markenelementen* Das "Wasserzeichen" von Google, das Sie in jeder Datei finden, ist wichtig zur Information über dieses Projekt und hilft den Anwendern weiteres Material über Google Buchsuche zu finden. Bitte entfernen Sie das Wasserzeichen nicht.
- + *Bewegen Sie sich innerhalb der Legalität* Unabhängig von Ihrem Verwendungszweck müssen Sie sich Ihrer Verantwortung bewusst sein, sicherzustellen, dass Ihre Nutzung legal ist. Gehen Sie nicht davon aus, dass ein Buch, das nach unserem Dafürhalten für Nutzer in den USA öffentlich zugänglich ist, auch für Nutzer in anderen Ländern öffentlich zugänglich ist. Ob ein Buch noch dem Urheberrecht unterliegt, ist von Land zu Land verschieden. Wir können keine Beratung leisten, ob eine bestimmte Nutzung eines bestimmten Buches gesetzlich zulässig ist. **F**OLLOWING the precedent of former years the Twenty-seventh Annual Issue of WILLING'S PRESS GUIDE has been carefully revised, no expense being spared in order to support its reputation as the handiest and readiest for reference, and for the information usually required in regard to the Press of the World the most complete and reliable work of its class.

For much of the information the thanks of the Proprietors are due to the publishers who have favoured them by replying to their request for particulars, the few who have failed in this respect being distinguished in the Alphabetical arrangement by a \*.

In the newspapers are included only such as appear under distinct titles. Many of these are simply reprints of other papers with the heading alone changed, while others have some variation which entitles them to be called localized editions.

The number of periodicals might be greatly increased by adding, as is commonly done, a large number of strictly American magazines and many hundred parish magazines, the latter mostly some well-known monthly localized by the addition of a cover with parochial notices and local advertisements.

It is perhaps necessary to state that throughout the Guide the prefix "bi" signifies "two," not "twice"; consequently a "bi-monthly" is published every *two months*, a "bi-weekly" every *two weeks*.

The thanks of the Proprietors are returned to numerous appreciative friends and to the newspaper proprietors who have kindly assisted to produce a trustworthy guide to the Press.

THE OLDEST EVENING PAPER—Established 1803.

# The Globe

ONE PENNY.

Six Editions are published Daily, from One to Seven p.m.

"THE GLOBE" consistently advocates sound constitutional doctrine, and gives an independent support to the great Conservative party. Great energy is manifested to obtain the latest news, and it has always the character of receiving the earliest official intelligence.

*Its circulation is very large, and rapidly increasing.* In London it is largely sold at all bookstalls, at the principal newsagents, and in the streets. The subscription list is very considerable; and the Paper can also be had from newsagents in the principal towns, and at all important railway stations in the provinces. It is also much read in clubs, hotels, and reading-rooms throughout the United Kingdom and Continental cities.

"THE GLOBE," which, from the reliability and excellence of its news and reports—parliamentary, law and general—its latest telegrams, money market intelligence, &c., has the reputation of being the LEADING as well as the OLDEST EVENING PAPER, has now added to its other features

## A Complete Sporting Service.

The SPECIAL EDITION, published at 6.30 p.m., gives the full results of all events, together with the jockeys, weights, next day's programmes, and starting prices of all the horses running, and a SPECIAL DESCRIPTION OF EACH RACE at all the day's race-meetings throughout the kingdom. The latest betting on the course, the entries, weights, and acceptances, programmes, and scratchings for all coming events are also carefully chronicled. Its original matter, in addition to light reading under "Notes of the Day," includes letters from the chief continental cities; and a special feature is the "Turnover" appearing on the front page, written on a social topic by writers who rank among the foremost *litterateurs* of the day.

**Special Notice.**—By the operation of the Postal Union, "THE GLOBE," being under 2 ozs., can be sent by book post at the minimum rate—one halfpenny; so that the subscription for all parts of the World is now the same as for the United Kingdom, viz.:—

Early Special Edition, published at 4.30 p.m. ... .. 9s. 9d. per Quarter.  
Special " " " 6.30 p.m. ... .. 13s. "

Country Subscribers can receive either Edition by the first delivery the following day.

"THE GLOBE" will be sent for short periods on a remittance *pro rata* being sent to the Publisher.

The Special Edition on Saturdays only (posted in time for delivery in the country on Sunday morning) forwarded for 8s. 8d. per annum.

## NOTES TO PRECEDING PAGE.

(1) Copies are in the British Museum. Twenty-one numbers issued at Oxford were "Re-printed at London for the use of some Merchants and Gentlemen, who desired them." "Numb. 1" is without date, the first paragraph being headed "Oxon, Nov. 7"—the cause of an erroneous date often given for the first issue: a later paragraph is dated Nov. 14. The second issue is without number, but headed "From Thursday, November 16, to Monday, November 20, 1665," showing that the first issue might have been from the earliest date (*Guernsey*, Oct. 30) to November 16, 1665. One earlier date in the first number is Nov. 4, 1664, the last figure perhaps an error in reprinting. Owing to difference of Style, paragraphs of foreign news dated in advance of the day of publication are to be met with in later issues. One interruption to the asserted regularity of the paper's appearance was caused by the Fire of London, when the printer—"Tho. Newcomb over against Baynards Castle in Thames Street"—must have been burnt out, and No. 38 did duty for a week, being dated "From Monday, September 3, to Monday, September 10, 1666."

(2) 1690 is the date often given. The first volume is in the British Museum, Nos. 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N.S. 1700).

(3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1706.

(4) Green's History of Worcester (1796) states that it is conjectured a public paper was established in Worcester about 1690. That date is consequently claimed for this paper; but Green further adds that, whatever may have been printed previous to 1709, the *Worcester Postman*, in June of that year, assumed a regular and orderly appearance in a small folio of six pages, the printer being Stephen Bryan. The earliest copy known to be in existence of the *Worcester Postman* is said to consist of two pages, post folio, with a date in 1710. Volumes for 1712-14 were exhibited at the Caxton Celebration in 1877. In 1722 the paper had become the *Worcester Post* or *Western Journal*, and later the *Weekly Worcester Journal*, under which title a copy for Friday, March 3, to Friday, March 10, 1726-7, is in the British Museum, its number being 924, agreeing with the date July 1, 1709, for the first issue. In 1729 the paper had become the *Worcester Journal*, and on June 23, 1748, it announced the death of "Stephen Bryan, who near forty years was printer of this paper." About three months before his death Mr. Bryan assigned his business to Mr. Hervey Berrow, whose name was added to the title on Oct. 11, 1753.

(5) Stated to be unnumbered till 1725, when No. 1 was added to the issue for May 1.

(6) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by six. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxiii., for 1728, now an octavo of eight pages, 9 inches by 5½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of Fifty-seven years has been continued to be circulated every Friday morning," &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper. The claim was first made on July 7, 1826, by a new proprietor, when he counted the 36 half-yearly volumes as so many years, and thus added 18 years to the age of the paper.

(7) Much of the pedigree of this paper and its collaterals is shown in the following list of Titular Changes.

(8) 1713 is claimed as the date of establishment. A copy in the British Museum of the *British Chronicle* for March 28, 1711, is No. 34, vol. i.

(9) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744 wherein he is said to have "printed the *Norwich Mercury* for about

30 years." The proprietors on Jan. 26, 1884, issued a fac-simile of the paper of Jan. 21-8, 1727, and they have in their possession "an odd copy or two for 1721."

(10) No. 530 is dated March 22, 1722 (published twice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.

(11) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1767, a new numbering then being adopted.

(12) 1725 has been given. Volumes for 1729-31 were in the Caxton Exhibition.

(13) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.

(14) 1720 has been given. No. 255 is dated Feb. 21, 1727.

(15) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a fac-simile was issued as a supplement to the paper on July 8, 1882.

(16) The *York Courant* was incorporated with the *York Herald*, which started Jan. 2, 1790.

(17) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1744, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards!

(18) 1719 and 1721 are given. A copy for 1772 is No. 1858.

(19) 1736 is commonly given. The proprietor (1884) says 1737.

(20) 1748 is also given. A copy for Dec. 8, 1804, is No. 2198; pointing to a still later date.

(21) 1745 and 1746 have been given.

(22) Complete file from No. 1.

(23) A volume of the *Oxford Journal* for 1753 was in the Caxton Exhibition. *Jackson's Oxford Journal* for April 3, 1762, is No. 466.

(24) A copy of the *Leeds Intelligencer* for Jan. 3, 1883, says 1751, but in 1866 the date claimed is 1754.

(25) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.

(26) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.

(27) This had only reached No. 1319, vol. xxvi., on May 23, 1795.

(28) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.

(29) 1756 has been given, but a copy for Sept. 10, 1763, is No. 1, and one for March 14, 1776, is No. 56, vol. xiii.—"total number 1639."

(30) 1780 is frequently given.

(31) A copy for Nov. 23, 1775, is No. 761, vol. viii., and the title is preceded by "John Ferrar."

(32) This paper expired in 1844, its death being announced in its last number on the 1st of February. Two months later another proprietor started *The Chronicle*. On Feb. 7, 1849, "Waterford" was added by the proprietor to the headings of the inner pages, and a few weeks later it was added to the first page.

(33) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note (10)). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.

(34) 1782 and 1789 have been given. The paper was not numbered till June 21, 1792, when it was begun with No. 1024.

(35) A volume for 1772 was in the Caxton Exhibition.

(36) A copy for April 13, 1774, is No. 2 (i.e., for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Racing Book*.

(37) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.

(38) 1778 is also given.

(39) 1777 and 1779 have been given.

(40) The first number, in the British Museum, speaks of itself as the *Universal Register*, while its heading is "The Daily Universal Register, Printed Logographically. By His Majesty's Patent. Numb. 1, Saturday, January 1, 1785. Price Two-pence Half-penny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.

(41) This paper is spoken of as having made "many profitable tours one hundred miles round London." For various editions the title at one time was preceded by Middlesex, Hertfordshire, Bedfordshire, Berkshire, Buckinghamshire, Surrey, Hampshire, or Essex.

(42) This had only reached No. 996, vol. xx., on Jan. 6, 1830.

(43) A *Bristol Weekly Mercury* had an existence much

earlier in the century. A copy for Dec. 1, 1716, is No. 61.

(44) 1788 is also given.

(45) No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.

(46) In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.

(47) No. 2 of the *Morning Advertiser*, dated Feb. 10, 1794, is in the British Museum; also *fac simile* of No. 1.

# TITULAR CHANGES AND AMALGAMATIONS.

The following list, which deals only with publications which have not completely passed out of existence will afford considerable help in tracing the history of some of the oldest newspapers and periodicals, and greatly assist in a search for many which are otherwise difficult to find owing to some trifling alteration in the leading title.

The date of issue or of change, where ascertained, follows the title; a second title printed in *italic* indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1.

When a publication has received a new title, the contraction *bec.* signifies "became"; and when a title has been incorporated, the contraction *inc.* stands for "incorporated with," "amalgamated with," or "merged into."

THE  
**GREATEST ADVERTISING NEWSPAPERS**  
 IN THE  
**UNITED KINGDOM.**

THERE have recently been published on the subject of "record" advertising days in British newspapers a number of statements which are misleading, inasmuch as a certain day is chosen when the number of advertisements is abnormally high on account of some special and local circumstance. This exceptional publication is compared with another newspaper at the least busy season, and on the lowest day of the week, and results are shown that are very misleading to Advertisers. Obviously the only fair course in a matter of this kind is to make a comparison of the totals of advertisements which have appeared in different newspapers during a considerable period of time. As a result of such a comparison, extending over the last twelve months, we find that the first advertising medium among British daily newspapers is the London *Daily Telegraph*, the **GLASGOW HERALD** and the *Liverpool Mercury* are next, and the London *Times*, the *Standard*, and the *Scotsman* follow in the order given.

**EXCEEDING OFTEN OVER 180,000 COPIES.**

By the fullest and latest News, &c., it combines in an especial manner attractions for Business Men, the Family Circle, and those interested in Athletics, Sporting, &c., while there is a special column each day devoted to Music and the Drama, the Volunteers, Swimming, Athletics, or Literature and Art, in addition to a column of racy comments, and gossip items of general interest.

As a Medium for Advertising the *Evening Times* is to be regarded as more on a level with the Morning Papers than is the case with Metropolitan Evening Papers. It is taken home, and read by the family.

Each of its five or more editions contains later and fuller Exchange and Market Quotations, Sporting Results, &c., than any other Evening Paper in Scotland.

## The Naval and Military Record, AND ROYAL DOCKYARDS' GAZETTE.

PRICE TWOPENCE.

The only Weekly Service Newspaper (as distinct from a Review) with Correspondents in all the Royal Dockyards, Naval and Military Centres, and on all the Foreign Stations.

A series of Articles have appeared on the "Ships of the British Navy," giving interesting accounts of the associations and careers of men-of-war. With the issues containing these Articles Supplements were presented depicting the various ships.

A new illustrated series of Articles was commenced on January 5th, 1898, giving a History of British Dockyards and Victualling Yards at Home and Abroad.

A VICE ADMIRAL writes: "Your *Naval and Military Record* is getting a firm hold on the Service, and is the BEST PAPER FOR NAVAL NEWS I know of."

"The *Naval and Military Record* is, we hear, forging ahead. Its speciality is the collection of news from various stations, and in this branch of Service journalism it excels. In fact, on the whole, it will compare favourably in many respects with some of our higher-priced Service contemporaries, though perhaps this is not saying so much as we intended in the way of eulogy."—ADMIRALTY AND HORSE GUARDS GAZETTE.

# The Hospital.

A Weekly Journal of the Medical Sciences and Hospital Administration, with a Special Section for Nurses.

Published every Thursday for Saturday.

Price Twopence.

THE HOSPITAL is the only Journal devoted to the combined interests of the Institutional World and the Medical and Nursing Professions. It is, therefore, read in all Hospitals, Medical Institutions, Nursing Homes, and kindred co-operations and establishments, and has a wide sale among Medical Men, Hospital Governors, Secretaries, and officials, as well as the general public interested in voluntarily supported institutions.

THE HOSPITAL has a special section which practically forms a journal in itself, devoted entirely to the interests of Nurses. Indeed its circulation among the nursing profession is absolutely unique, constituting as it does the only effective medium through which institutions and private individuals can advertise for trained Nurses, or Nurses for situations. The "Wants" advertisements average from 18 to 20 columns every week. It is read by Hospital Nurses, District Nurses, and Private Nurses throughout the World.

THE HOSPITAL is therefore the best medium through which to introduce articles to the notice of Institutions, Medical Men, and Nurses, and above all to invalidate through the medium of these professions.

THE LEADING MORNING PAPER IN THE NORTH OF ENGLAND.

THE YORKSHIRE POST has a daily circulation far larger than that of any other Morning Journal in the Provinces, and is the paper principally read between the Trent and the Tweed.

As an advertising medium, it stands at the head of all the English provincial newspapers. The following is the result of the latest comparison made, and is founded on the total number of advertisements published in the various daily papers on Saturday, May 29, 1897:—

Chief Offices: IPSWICH. London Office: 53, FLEET STREET, E.C.

Circulates in Suffolk, Norfolk, Essex, Cambridgeshire, Lincolnshire, Hertfordshire, and Middlesex, covering a wider field than any other Eastern Counties Paper.

It is the recognised medium for all Business, Official, Legal, and Parliamentary notices, and is generally the selected paper for Prospectuses, in consequence of the position it obtains among the moneyed classes.

The EAST ANGLIAN DAILY TIMES is an eight-page paper, and the array of advertisements is a sure proof of the favour in which it is regarded by the public.

The aim of the EAST ANGLIAN is to publish a sheet which will dispense with the necessity of taking a London newspaper, and in which all the news of the district is focussed; it is therefore an excellent combination of a London and provincial paper.

From first to last its circulation has regularly and steadily increased, and that increase was never so apparent as in the past few years.

The scale of charges for Advertisements may be obtained of James WILLING, Junr., Ltd., or any Advertising Agents, or will be sent on application to the Chief Office or London Office as above.

The only Official Organ and Independent Paper published representing the large body of Traders associated with the Licensed Victualling interests is the

**LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER,**

Which has a large circulation, being six times larger than all the other papers representing the same trades combined. Attention is called to the fact that in all the principal hotels, taverns, and other licensed houses throughout England, Scotland, Ireland, and Wales, is the LICENSED VICTUALLERS' GAZETTE taken in, because its well-known literary features form an attraction to the proprietors' customers themselves. Consequently, to the members of the trade, their own official organ is of such value to them that they cannot do without it in their houses, it being the means of drawing customers. The LICENSED VICTUALLERS' GAZETTE is the only paper published giving in its news columns each week an authentic list of all the hotels, inns, and taverns, with their leases, rentals, &amp;c., which are for sale, and the results of the London sales appear also in the following week.

The circulation of the LICENSED VICTUALLERS' GAZETTE exceeds that of any other trade journal, and therefore its value as a medium for advertising the sale or letting of breweries, hotels, restaurants, inns, taverns, and all other kindred properties is evident. Persons who have such to dispose of will find that the LICENSED VICTUALLERS' GAZETTE is the best, and indeed the only true medium for bringing the announcement before notice of the entire trade everywhere. The ordinary business advertiser may be sure of his announcements being read by multitudes of the general public, as the LICENSED VICTUALLERS' GAZETTE lies about all the week in the licensed houses throughout the kingdom.

The LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER is published every Friday morning (price 2d.), at 303, Strand, London, and advertisements are received till 6 o'clock on Thursday Evening as above.

## THE MANCHESTER GUARDIAN.

ESTABLISHED 1821. PUBLISHED DAILY. PRICE ONE PENNY.

The "**MANCHESTER GUARDIAN**" has long enjoyed the reputation of being the most influential of all Provincial Papers. It is acknowledged to have the largest circulation throughout the Manufacturing Districts of Lancashire and Cheshire, one of the most thickly populated districts in the world, containing, exclusive of Liverpool and Birkenhead, over twenty towns of more than 20,000 inhabitants. In the large towns throughout the South-west of Yorkshire it is largely read, and by the issue of a Special Edition for Wales, it has greatly increased its circle of readers in North Wales. In addition, it has a circulation peculiar to itself among the more cultivated classes of Great Britain in every district, and claims with justice to be one of the Leading Political Papers in the country. A reference to its columns at any time will show that it contains a far larger number of Mercantile Advertisements of the highest class than any other Newspaper out of London.

**SPECIAL TRAIN EXPRESS.**—The Proprietors of the "**MANCHESTER GUARDIAN**" have made arrangements with the London and North Western Railway Company for two Special Newspaper Trains, one leaving Manchester (Exchange) for Wigan, at 3.30 a.m., and the other leaving London Road for Crewe, at 3.40 a.m. daily. These arrangements place them in communication with trains running North and South which have hitherto only been available for an earlier edition. They are thus in a position to place before all their readers a fuller record of the latest telegraphic intelligence than has hitherto been practicable.

"2,309,936 Copies.

"We further certify that in one month alone the number of copies published by you was  
"4,909,744 Copies.

"Chartered Accountants.  
"42, Castle Street, Liverpool."

Nearly 5,000,000 copies per month (see Certificate). Increase in six months in 1898 as compared with 1897—2,309,936 copies.

**THE CIRCULATION OF THE LIVERPOOL PAPERS.**  
The Publishers of the LIVERPOOL DAILY POST, LIVERPOOL WEEKLY POST, and LIVERPOOL ECHO since the year 1882 have taken the public into their confidence by submitting their printing and publishing books to an independent firm of auditors, whose latest certificate, issued on Saturday, October 1, is published above. These figures tell their own tale; they are absolutely unparalleled in Liverpool; indeed, we have no hesitation, from information at our disposal, in asserting that the number of Papers issued from the DAILY POST office is greater than that printed in all the other daily newspaper offices combined. None of the other morning or evening papers has ever submitted its books for any lengthened period for examination—and the public will form their own conclusions of mere assertions unappurposed by figures.
